

MY CLASSMATES

□ All people in this world study at school and have classmates. They can be friendly, top-rated, and simply the best. Classmates have known each other since childhood, they have a lot in common, so eventually classmates become real friends. I would like to tell about my class.

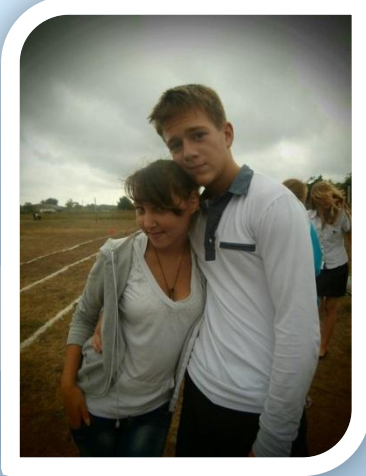

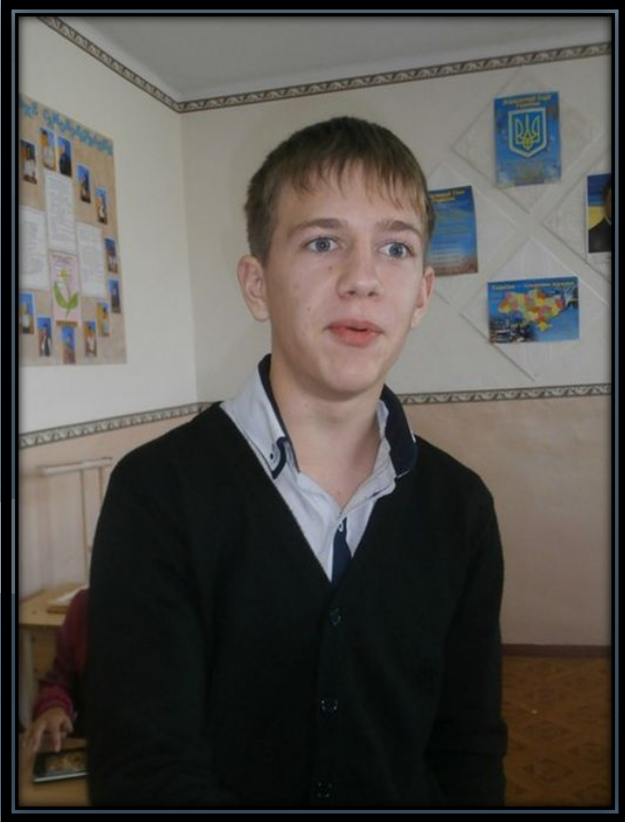

YANA

□ Yana is friendly, funny and very nice person. She likes beautiful clothes. She is good at singing.

Dmitriy

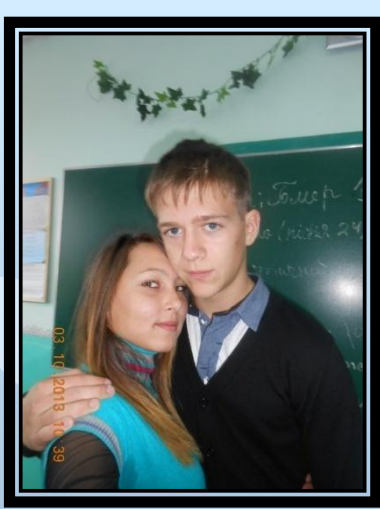

□ Dmitriy is incomparable. He loves to learn. He goes in for judo. He also likes reading.

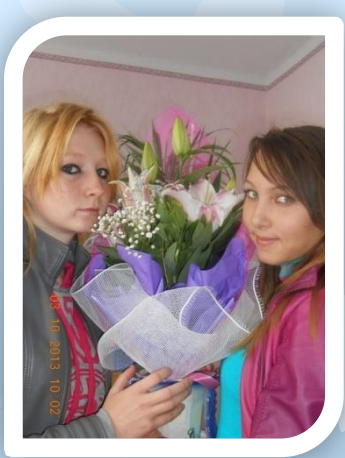

VICTORIA

□ Victoria is friendly and cheerful. She is my best friend and I love her so much. She always helps me in different situations :))!

Tatiana

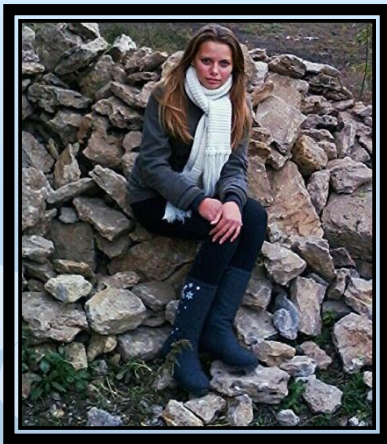

□ **Tatiana is funny and very active. She likes big companies. She also enjoys reading and singing.**

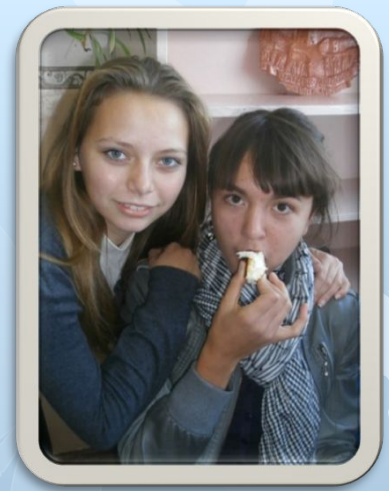

Liliya

□ Liliya is very sensitive and responsive. She is very modest. She loves to play the piano. It is her hobby.

ELIZAVETA

- Elizaveta is very good. She loves to learn. He is good at math. Liza likes to go out with her friends. She enjoys watching soap operas.

Ilijah

Ilijah is cheerful and positive. He likes boxing, playing table tennis and football.

Olga

- Olga is calm, balanced and funny. There is always something to talk about with her.

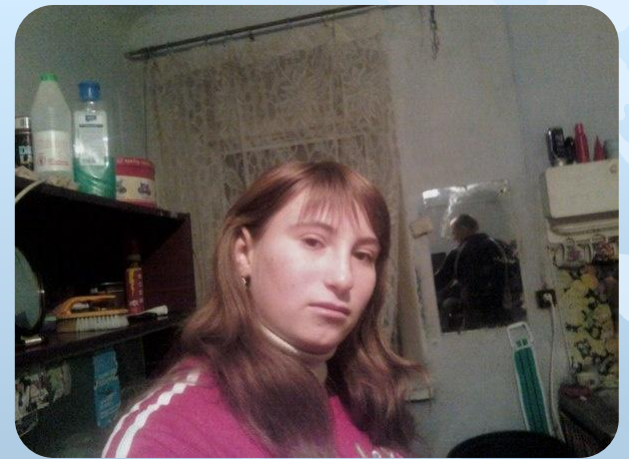

Alina

- ▣ **Alina is funny and very good. She likes all countries, but especially she enjoys Turkey, its customs and traditions.**

Elena

□ Elena is funny, beautiful and talented. Elena is generally very modest.

Oksana

- Oksana is nice, friendly and talented. She can find contact with anyone, for that I love her.

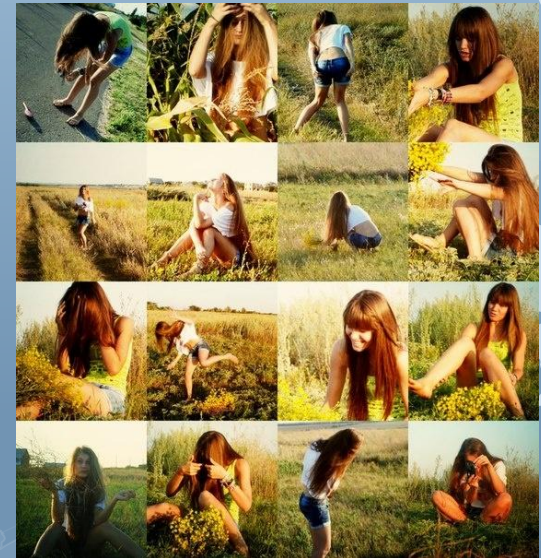

Daria

□ Daria is beautiful and funny. She loves chocolate. :)

We will always be friendly family ...

With classmates we enjoy travel and go to different places of interest. Arrange holidays for school parties and then go to a disco. With our class teacher we traveled to Ternopil. Impressions were great, everyone liked Spring Break.

THE END!
