

New Year

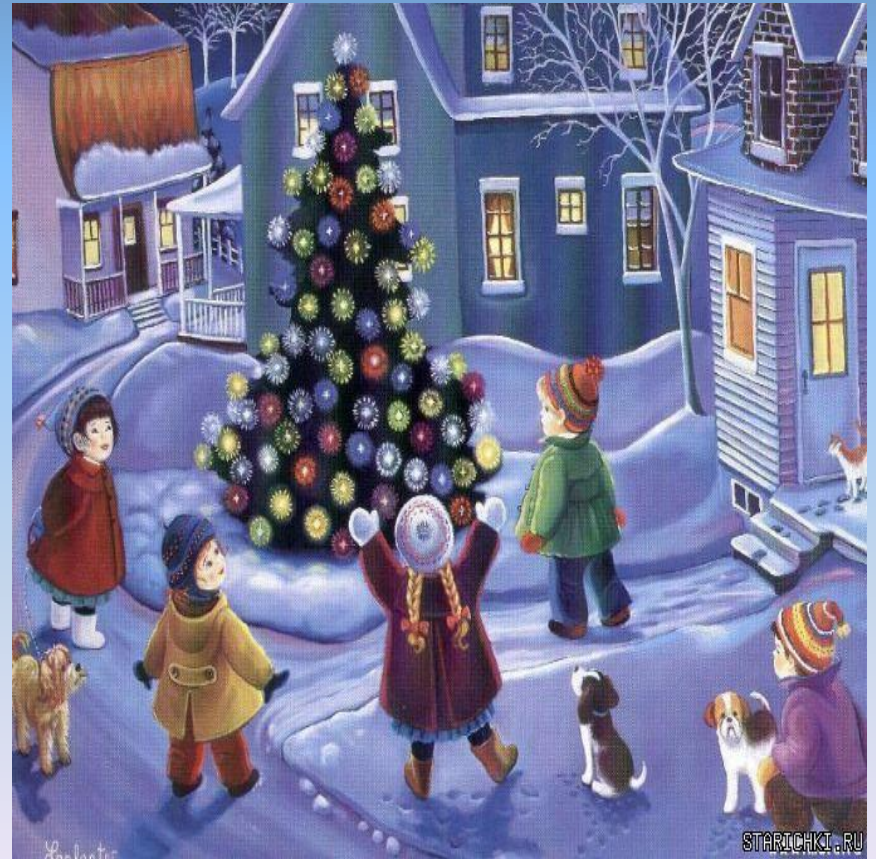

New year is...

New year is a winter festival. A few days before the festival people decorate the house and decorate Christmas trees. December 31 people give each other presents and celebrate the New Year. Symbol of the New Year is father Christmas children write letters to him which would say to receive a present. It along standing tradition.

The main activities

The main activities are “New Year trees” with father Christmas, snow Maiden and other fantastic heroes. Children and adults skating and skiing, sculpt snowmen. When in the street getting dark, into the sky launching the set salutes.

A celebratory dinner

On the night of December 31 on January 1, all families get together for a celebratory dinner. On the festive table is usually much different goodies. On the table there are a variety of salads, hot dishes, sweets. The main adornment are tangerines.

New year for my family

For me and my family New Year is a family holiday. A week before the it, we decorate the Christmas tree, buy gifts. December 31, we are going all together and rejoice in the upcoming year.
