

NEW ZEALAND

It is unofficial, but very popular symbol of the country. In honor of a bird of a kiwi the local fruit known around the world was called. New Zealanders often call themselves by "kiwi". It became this international nickname. Images of a bird of a kiwi can be met here everywhere, it is simple not to find the best souvenir.

If you saw at least one movie from the trilogy "Lord of the Rings", then to describe this place of interest where there took place shootings, it isn't necessary. Each corner of this village where there lived hobbits will be familiar to you. But even if you aren't a fan of a fantasy, all the same, it is worth visiting Hobbiton, the village with great love was under construction.

It is a volcanic zone, one of thanks to what, actually, and there were islands of New Zealand. Uai-au-Tapu means "Sacred waters". Maori called this place so not for nothing — numerous hot springs are located here. Now in Uai-au-Tapu the amusement park "The country thermal miracles" which is very popular among tourists works.

with shovels! Under Hot Water Beach sand two hot springs so itself can dig the real bathtub which will quickly be filled with warm water are hidden. The such "sandy bathtub" is deeper, the will be hotter water so in certain cases vacationers dig the whole channels to connect her to the sea.

Franz Joseph's glacier

There is this glacier in the west of the Southern island, in National park Vestland. The unique miracle of the nature is visited every year by more than 250 thousand people who try to subdue Franz Joseph's glacier accompanied by the guide. For this purpose special footwear and devices will be necessary, but ice tunnels will leave unforgettable impression.
