As Independent distributors within the home based business industry, we have chosen to promote Coffee and Tea

Regardless whether you are an experienced marketer or you are new to our industry, we will support YOU in becoming successful, providing you have a burning desire to succeed.

Some helpful selling points to do with the coffee are:

- Our coffee is a mixed blend of South American coffee
- It has low level of caffeine (approx. 9mg per cup) as the Ganoderma gives you a lot of energy
- The coffee comes in Black, Latte, & Mocha
- We also sell Green Tea & Hot Chocolate

ORGANO

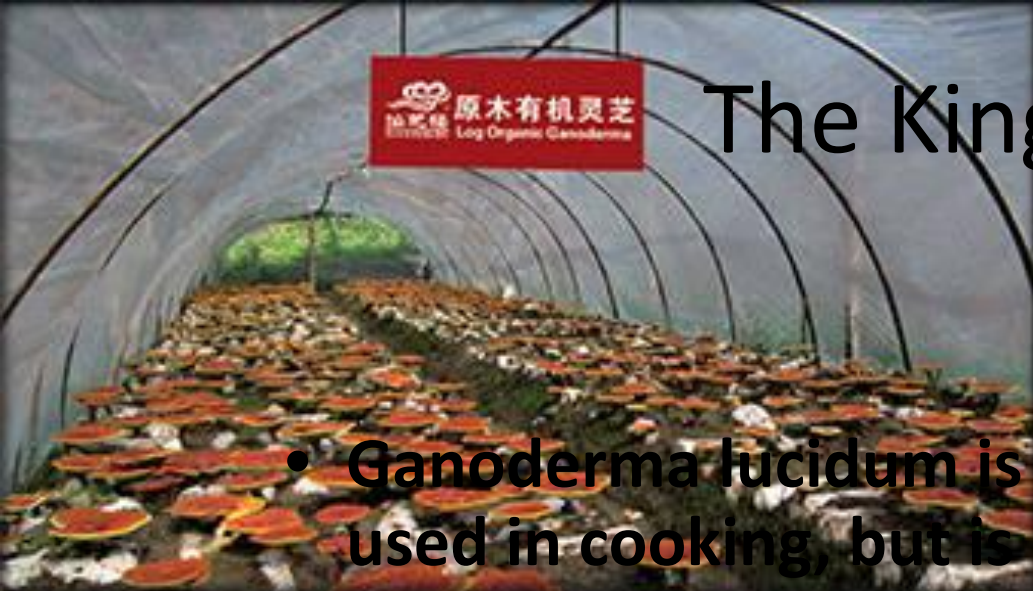

The GANODERMA in the coffee does these 3 main things:

- It has been used as a traditional herbal medicine in China for over 4,000 years
- Improves the immune system
-
- Anti-cancer properties
- Anti-inflammatory
- Neutralizes the PH level/acidity of the coffee so it's no longer acidic. Which means it's gentle on the stomach
- Oxygenates the blood
- Provides approx 150 antioxidants.

Organo Gold Coffee

- Balance body's ph level (neutralizes the acidity of coffee)
- Boosts the immune system
- Oxygenates the blood
- Promotes natural detoxification
- No coffee jitters or caffeine crashes
- Does not cause acid reflux
- Has 150 anti-oxidants
- Lowers stress level
- Support quality of sleep
- Decreases the symptoms of seasonal allergies

The King of Herbs

- **Ganoderma lucidum is a mushroom that is not used in cooking, but is used for many benefits in traditional Asian culture, and can be found in supplements, skin care and a broad range of everyday products around the world**
- **For thousands of years, Ganoderma lucidum has been recognized by many as the highest ranked of all herbs. The Chinese name for Ganoderma, Lingzhi, means “spiritual potency”,**
