

The climate in Russia and Germany

Germany

Spring

- Spring comes later than in the rest of Western Europe.
- The best weather is in May

Summer

- It is summer when the nature of Germany transforms and appears in all its glory
- Summer in Germany is usually warm and sunny

Autumn - the rainiest time in Germany.

Winter

- ❑ Mostly winters in Germany are mild, snowy and windy.
- ❑ Towards the south - temperatures in January and February are lower, sometimes reaching twenty degrees below zero.

Russia

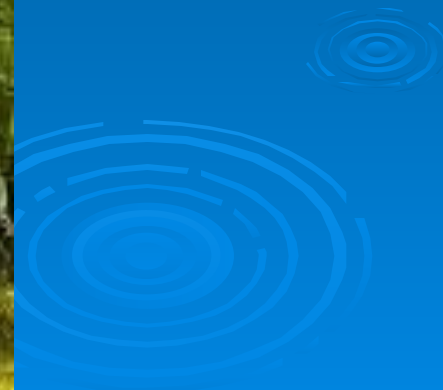

Spring

□ In this period snow cover melts , streams run everywhere, Russian nature wakes up

Summer

- Summer is one of the most enjoyable times of the year

Autumn

- **Autumn is the most colourful, rich and golden time in our country.**
- **But it is rainy, cool and dirty in some parts of Russia**

Winter - the coldest time of the year
