A vibrant, cartoon-style illustration of a landscape. A large, multi-colored rainbow arches across the sky from the top left towards the right. The sky is a clear, light blue with a few white, fluffy clouds. On the left side, there is a large, dark green tree with a brown trunk. The ground is a rolling green hill. In the foreground, there are several small white daisies and a cluster of purple tulips. A large, purple butterfly with yellow spots on its wings is in the bottom left corner, looking towards the center. The overall scene is bright and cheerful.
