January 11

**If you're looking for
something to do today then you should
give thanks
to all**

**because
it's**

**International
Thank
You Day!**

**International Thank You Day got its start in 1994
and there are actually multiple thank you days;
January 11th to January 18th.♥**

Hearing thank you when you do something for someone else makes you feel better. It's almost like a priceless payment for what you did and it makes you continue doing good things for others.

In our busy and stressful lives, it is important to remember that each day truly is a blessing. We sometimes take things, and each other, for granted. Whether we are facing a health crisis, are currently unemployed or underemployed or are enjoying a rich and prosperous year, it's important to remember circumstances can change when we least expect it.

**THANK
YOU**

Today is the perfect opportunity to be thankful for friends, family, freedom, food, shelter and basic necessities. We should even be thankful for that cranky co-worker or rotten boss because at least we have a job!

How can you celebrate International Thank You Day?

**It's pretty simple,
just give thanks for all things today;
let people know that you're grateful for
what they do for you.**

**In honor of
International
Thank You Day,
thank those
around you. Try it
all day long -
people will wonder
what you're up to!
And who knows?
Maybe that pearly
white smile or
sincere "thank
you" will lift
someone's spirits
more than you
realize.**

**I really appreciate you,
Your helpful, giving ways,
And how your generous heart
Your unselfishness displays.**

**I thank you for your kindness,
I will not soon forget;
You're one of the nicest people
I have ever met.**

For All You Do

**Thank you so much for all you do;
You're truly a delight;
When my life overwhelms and does me in,
You make everything all right.**

By Karl and Joanna Fuchs

Thanks for the Good Times

**Thank you for the good times,
The days you filled with pleasure.
Thank you for fond memories,
And for feelings I'll always treasure.**

By Karl Fuchs

Thank You
for adding
Colors of happiness
and flutters of joy
in my days!

On Thank You Day...

I am thinking of you...

And sending you a bunch of

THANKS!

*Thank you for the world so sweet
Thank you for the food we eat
Thank you for the birds that sing
Thank you God
for everything*

**Dear students,
on this very special days,
Do not forget to give special Thanks
to your Parents and your Teachers!**

**THANK
YOU**
