- ❖ This venture is located at Bangalore.
- ❖ Prestige Group is come up with an latest well designed Floor Plan, Master Plan, Amenities, Specifications Etc. Which are all included within it.
- ❖ **About Prestige Group:**

Prestige Group has become a popular name in the field of real estate ever since the company was established way back in 1986. All credits for this emergence goes to the founder of the company Mr.Razzak Sattar. Over the years, Prestige Group has grown in all direction of Bangalore with a lot of commercial, residential and hospitality sectors. With over 350 completed residential and commercial projects, Prestige Group has cemented their name in the hearts of people of Bangalore. Now there are about 60 ongoing projects covering an approximate 60 million s qft area and about 30 upcoming projects in the pipeline. In the past 20-25 years Bangalore has seen a giant leap in real estate scenario. A lot of people with little construction background are plunging into full-fledged construction business. In recent times many small builders have cashed in with the high demand for residential and commercial buildings. Only a few builders have managed to itch their brand names in the hearts and minds of people in Bangalore. One such builder whose name goes by the reputation is The Prestige Group. Established in 1986, The Prestige Group has enjoyed success in almost all fields like residential, commercial, retail, leisure and hospitality sectors. Ever since the emergence of the brand name, Prestige Group have left no stone unturned to sustain the reputation.
