

**Когда это
бывает?**

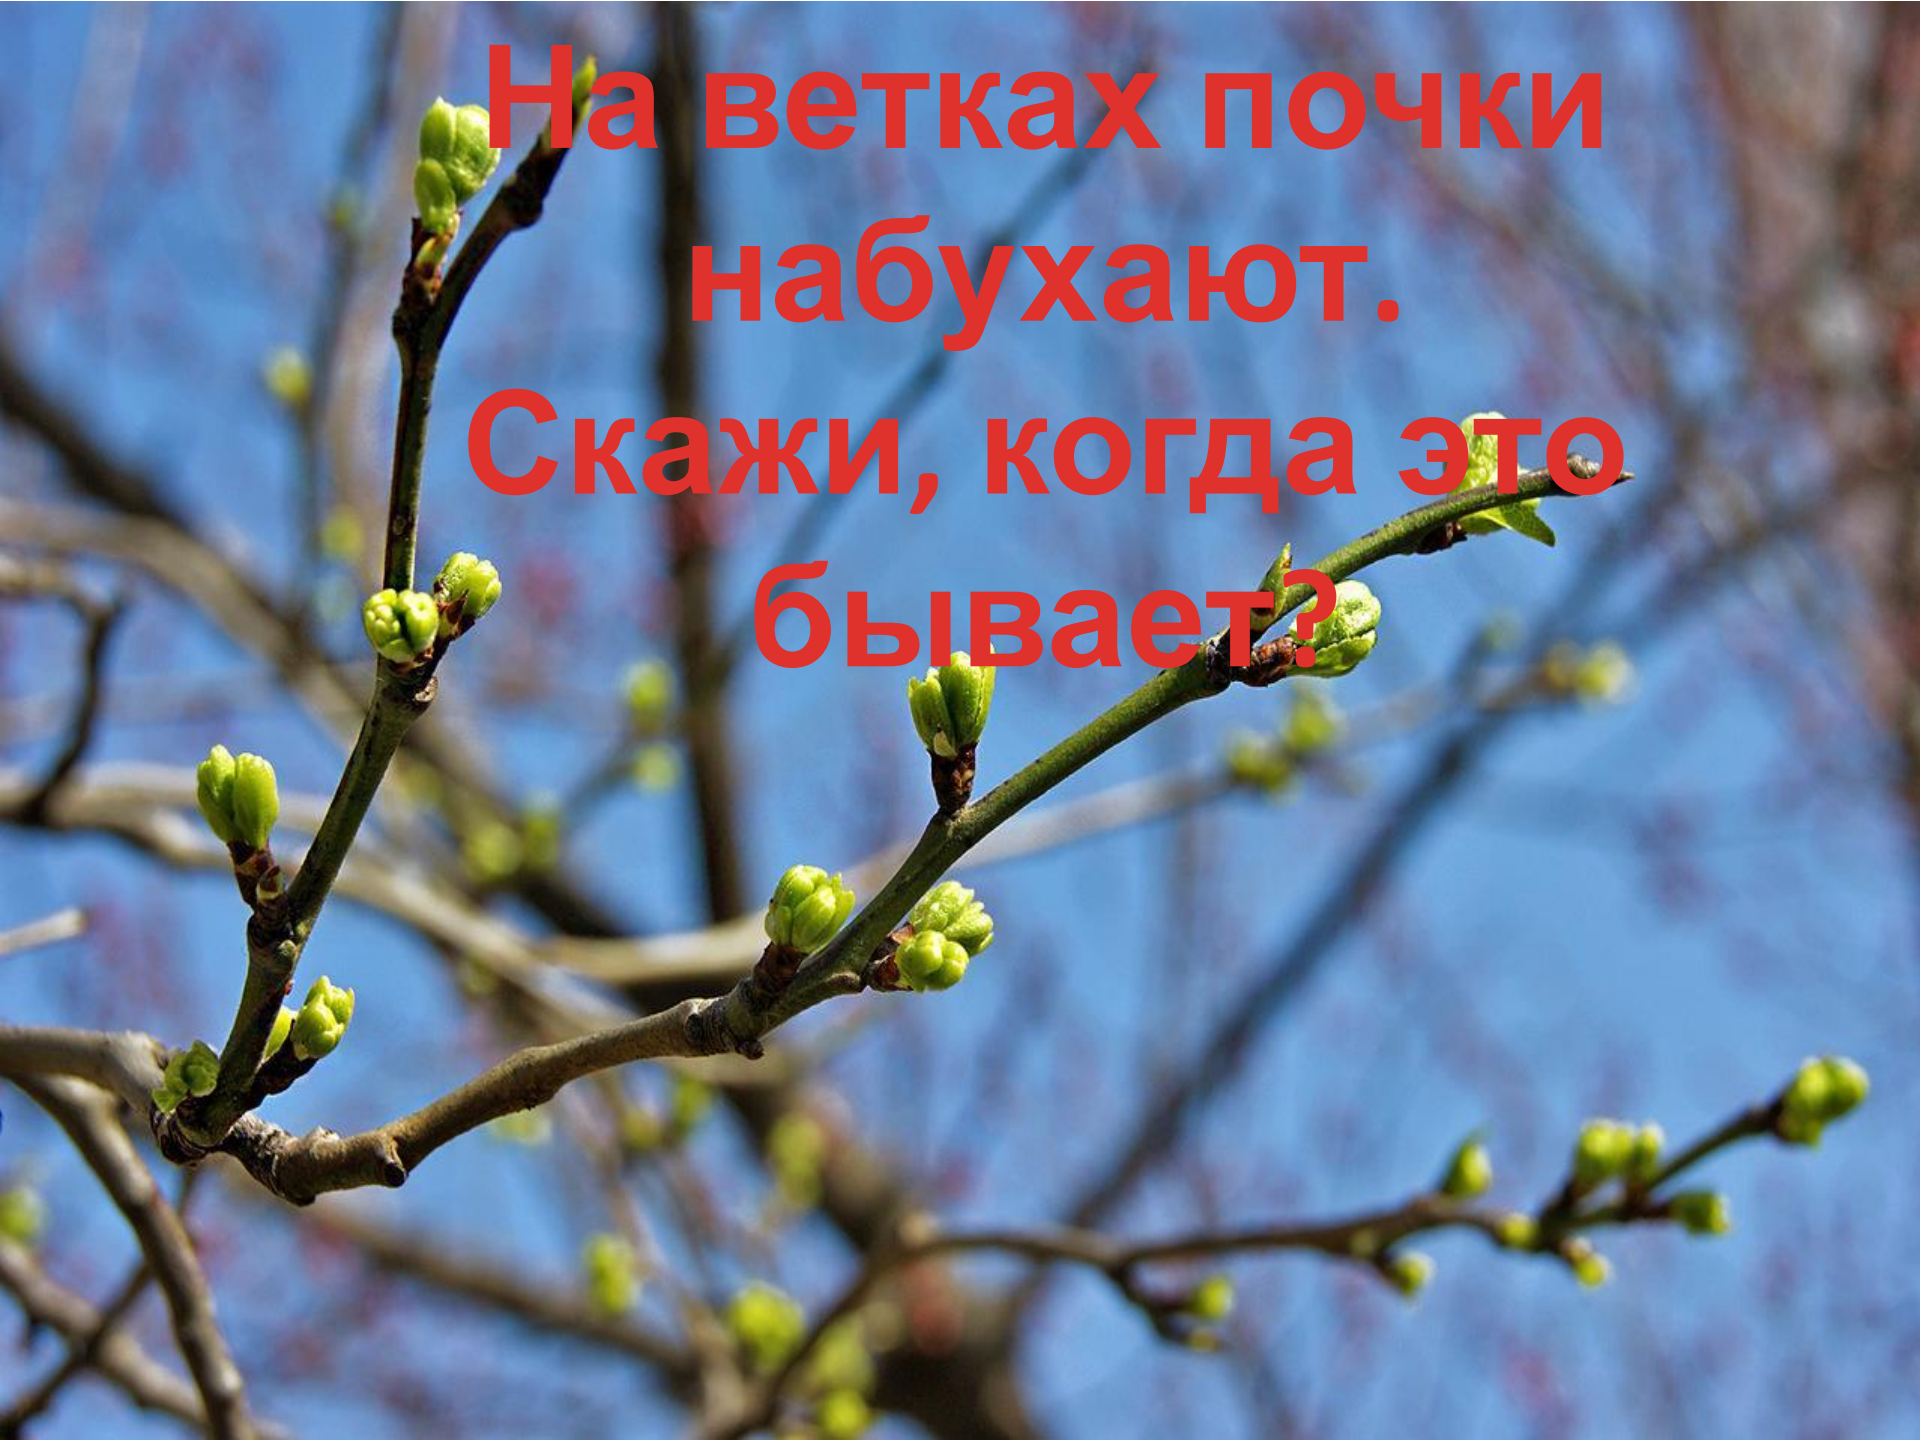

**Солнце
припекает.**

A painting of a winter scene. In the foreground, a dark, narrow stream flows through melting snow. Several icicles hang from the snow-covered banks. The snow is rendered in shades of white and light blue, with shadows cast by the rocks and branches. The background shows more snow-covered ground and a few bare, dark branches. The overall atmosphere is cold and transitional, capturing the moment when winter is giving way to spring.

**Снег повсюду
тает
Когда это
бывает?**

**Птицы
прилетают.**

A close-up photograph of a tree branch with several green, swollen buds. The buds are in various stages of swelling, some showing small green leaves emerging. The background is a clear, bright blue sky. The text is overlaid in a bold, red font.

**На ветках почки
набухают.
Скажи, когда это
бывает?**

**И дети мам
все
поздравляют.
Скажи,
когда это
бывает?**
