ІРИНА ПЕТУХ

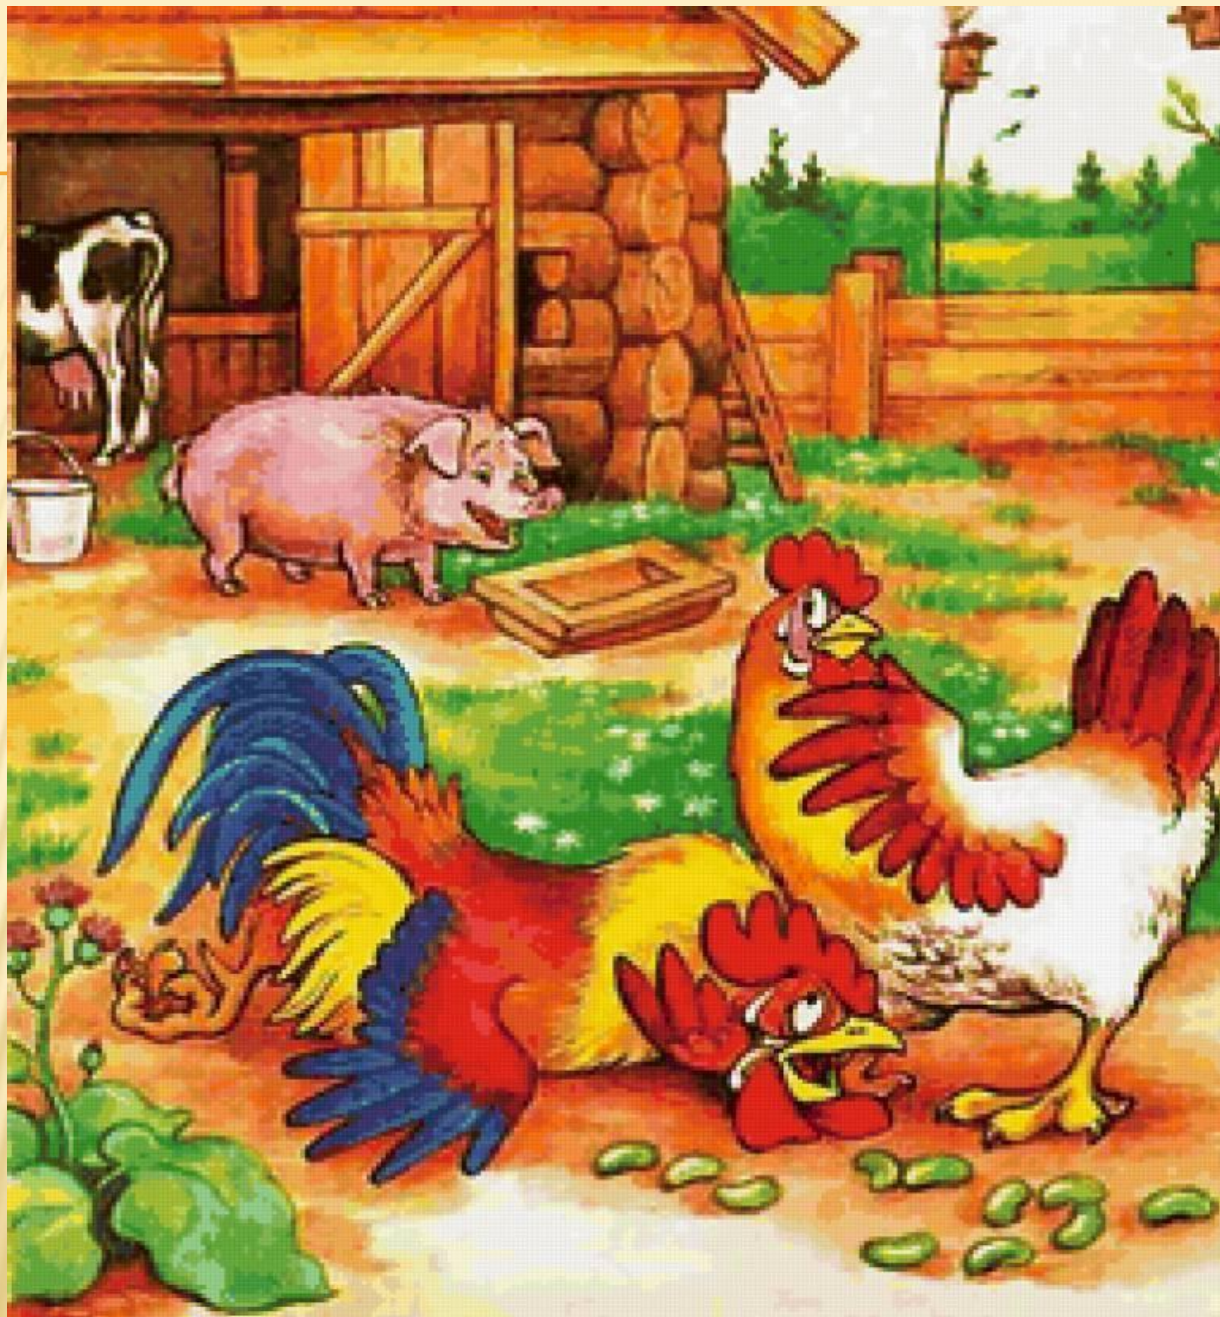

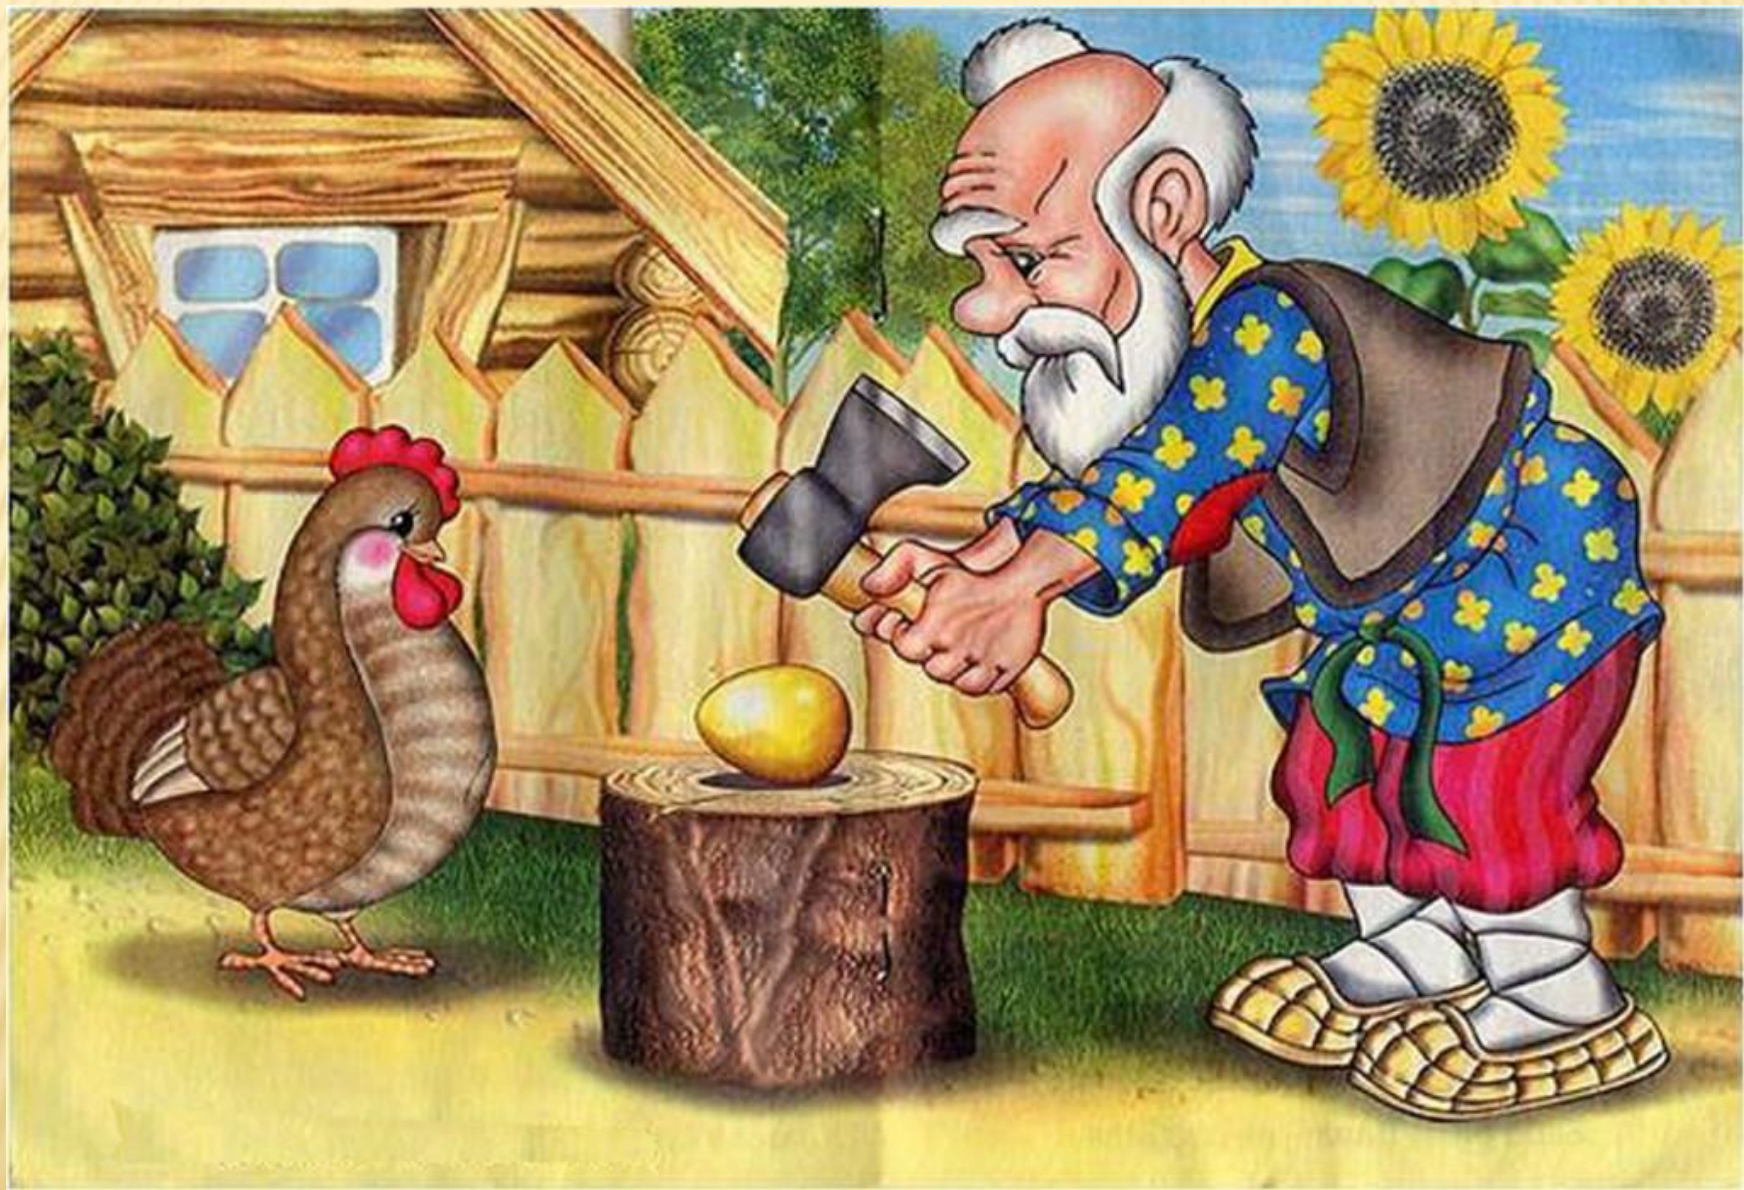

A woman with a mustache, wearing a red patterned dress and a floral headscarf, leans on a window with ornate wooden shutters. A speech bubble is positioned above her, containing the Russian text "ВОТ И СКАЗОЧКЕ КОНЕЦ!". The window shutters are decorated with blue panels and red floral motifs. The background behind her is dark, and the window frame is painted with a blue scalloped pattern at the top and a red floral pattern at the bottom.
