Сказка из песочницы

Строим сказочный песочный мир

A vibrant, cartoon-style illustration of a rural landscape. The scene is set on a sandy, dune-like ground with a blue sky and blue water in the background. On the left, there are several evergreen trees. A brown bear is walking towards the left. A squirrel is perched on one of the trees. A wolf is lying down on the sand. A fox is standing and looking towards the right. A rabbit is also visible near the trees. On the right side, there is a small, pink house with a brown roof and a chimney. A rooster is standing in front of the house. A dog is lying down near the house. A pig is standing on the right. Three goats are also present: one is standing on the right, and two are standing together in the bottom right corner. The text "Кто где живёт?" is written in a large, yellow, stylized font across the middle of the image.

Кто где живёт?

Кто же спрятался в песке?
