A wooden bookshelf with a red back panel holds several children's books. Visible titles include 'СНЕГ ОТИ' (The Snowman), 'СИНЕЛЕНЬКИН' (Sineleynkin), 'АНГЛИЙСКИЙ' (English), and 'МАШИНЫ' (Cars). Below the books, a collection of colorful puppets, including a bear, a duck, and a girl, are displayed on the shelf. In the foreground, several young children are seated in wooden chairs, facing the teacher.

A Panasonic projector screen displays a Microsoft PowerPoint presentation. The slide is titled 'WHAT COLORS IS IT?' and features a 3x3 grid of colorful flowers in various colors: orange, purple, yellow, blue, green, red, and pink. The screen also shows the Windows taskbar at the top and bottom, indicating the operating system is Russian Windows.
