

A vibrant, stylized illustration of a spring landscape. A large, multi-colored rainbow arches over a scene featuring a cluster of white houses with blue roofs and green trees. The foreground is filled with a dense field of pink and purple flowers. The scene is reflected in a body of water below, with concentric ripples emanating from the reflection. The sky is light blue with soft, glowing hexagonal bokeh effects. The text 'Spring in wallcoo' is written in a cursive font in the upper left corner.

Spring in wallcoo
