The background is a gradient of light blue to cyan. It features two prominent starburst patterns, one in the lower-left and one in the lower-right. These starbursts are composed of numerous thin, white, curved lines radiating from a central point. Scattered throughout the background are many small, white, teardrop-shaped particles, some of which appear to be trailing or moving, giving the impression of a dynamic, energetic field.

The background is a gradient of light blue and purple. It features several large, white, starburst-like patterns that resemble fireworks or light trails. These patterns are composed of many thin, curved lines radiating from a central point. Scattered throughout the background are numerous small, white, teardrop-shaped dots, some of which appear to be part of the starburst patterns or are independent elements.
