

«Россия спортивная» He didn't broke and goes forward!

We would like to talk about the strong spirit of man, athlete - Kungurtsev Denis. During his life, the young man suffered many blows of fate, but not broken, not hostile. On the contrary, Denis became better, stronger and more human in our time - a rarity. When the boy was the year his father died, he and her mother were left alone. Life was hard but he was a pillar of support and mother, how could always helped, coddling with his little sister.

• At the age of 12 years there was trouble with a boy. He's with the boys played for the village where growing raspberries. When Denis picked berries, he accidentally took up the electric wire, which was low. He was taken to hospital № 9 of the city of Yekaterinburg, where he has had five operations. Surprisingly, even in this moment the child, and then he was still a child, behaved himself very courageously. Denis didn't cried, his face always had a smile, and he supported his mother as he could. Not everyone is able to recover after such, and he could.

Denis studies now at the college of Olympic reserve of the city of Yekaterinburg. But most importantly, he was a real man, a sportsman, a triathlete. The boy is trained not only in his city, but also in Yekaterinburg on the basis of "Khrustalnaya". He traveled to competitions in Yaroslavl, where brought two medals for 1st place.

He was given the sports category. Last year Denis became the Champion of the all-Russia competition triathlon in July 21, 2012 in Nizhny Novgorod .

After that Denis had a lot of victories. These real men live in our small villages. Forward, Denis, we are with you!
