

Saint-Petersburg

The Place I Love Best

Viktor Kosach

The Hermitage

- one of the largest and the oldest museums in the world
- 3 million items
- the largest collection of paintings in the world
- the Egyptian Hall – favorite

The Kunstkamera

- the first museum in Russia
- founded by Peter the Great
- the greatest collection of natural and human rarities – “the cabinet of curiosities”
- the Museum of Anthropology and Ethnography – history and life of many nations

Petergof

- a UNESCO World Heritage Site
- the "Russian Versailles"
- a series of palaces and gardens
- in the middle of May – the opening of the fountains
