

A colorful illustration of a garden scene. In the center, a large green turnip with broad leaves grows out of a mound of brown soil. To the left, three small brown and white chickens are perched on a log. To the right, a larger rooster with a red comb, yellow body, and blue tail stands on the ground. In the upper left, a small brown bird is perched on a dark brown pot. The background features a wooden picket fence, green trees, and a bright sunflower in the upper right corner under a blue sky.
