

STUDENTS WITH THE MOST MEMORABLE IMPRESSIONS

hello. my name is Mark. Last month I traveled to London. I have a lot of positive impressions, I saw a lot of architectural monuments, but I'm most impressed with Big Ben. I went there with friends and they also liked the city

hello. My name keytaro. I just returned today from Kyiv. I went there on business, but the city charmed me with their hospitality and I stayed there for a while yet. walking the streets I saw different people, but they were all like family to me. of course I could not visit the Ukrainian cuisine. It was not unusual, but very tasty, I necessarily come to Kyiv

good day. My name is Elena. I stayed for a year as I returned home from Australia, but the impression is still overwhelmed me. Australia is a country on the one hand, and exotic wildlife, and on the other hand, it is a very developed country. After spending 3 weeks in Australia I strongly plunged into the culture and customs of the Australians.

First I visited the Sydney Opera House, as which will remain in my memory forever. You can tell a lot and for a long time, but it is better to see it with your eyes
