

# The best way to...

- Meet a new neighbour?
- Cut your food bill in half?
- Get a seat on crowded buses?
- Turn people's heads?
- Catch a mouse?

# The best way to...

- Light a fire with 2 sticks?
- Make a cigarette lighter?
- Stop a cockerel crowing on a Sunday?
- Cover an old cushion?
- Communicate with a fish?

In three words I can sum up everything I've learned about life: it goes on.

Life is a dream for the wise, a game for the fool,  
a comedy for the rich, a tragedy for the poor.

**Sholom Aleichem**

A man who dares to waste one hour of time has  
not discovered the value of life.

**Charles Darwin**

Don't go around saying the world owes you a  
living. The world owes you nothing. It was here  
first.

**Mark Twain**

Life is what happens while you are busy making other plans.

**John Lennon**

Every man dies. Not every man really lives.

**William Wallace**

You will never be happy if you continue to search for what happiness consists of. You will never live if you are looking for the meaning of life.

**Albert Camus**

# **How to Write a Limerick**

Молодой человек из Тюмени  
Каждый день ел на завтрак пельмени.  
Он и впрок их сушил,  
Он и в суп их крошил, --  
Так и съел все пельмени Тюмени.

Старушку одну из Самары  
Ночами будили кошмары:  
Как будто везде, --  
Ну буквально везде! --  
Закончен прием стеклотары.

There once was a farmer from Leeds  
Who swallowed a packet of seeds  
It soon came to pass  
He was covered with grass  
But has all the tomatoes he needs

There once was a young lady named Bright  
Whose speed was much faster than light  
She set out one day  
In a relative way  
And returned on the previous night

- There once was a boy named Dan,  
who wanted to fry in a pan.  
He tried and he tried,  
and eventually died,  
that weird little boy named Dan.

- There was a dear lady of Eden,  
Who on apples was quite fond of feedin';  
She gave one to Adam,  
Who said, "Thank you, Madam," And then  
both skedaddled from Eden.
