The image shows a promotional graphic for 'The Telegraph' featuring a stack of four emigration guides. The guides are titled 'LIVING IN THE USA', 'LIVING IN AUSTRALIA', 'LIVING IN CANADA', and 'LIVING IN NEW ZEALAND'. A red button with the text 'GET NOW »' is overlaid on the bottom left of the stack.

It is not free.

You should buy this paper. It costs about 560 roubles.

The daily Telegraph contains various sections: local, business news, TV guide, weather forecast, advertisements, current affairs.

The information is useful, interesting.

I like to read The daily Telegraph because it has a lot of informative articles on politics, health, fashion, cinema.

It is worth reading.
