Natalie Portman: the new Miss Dior

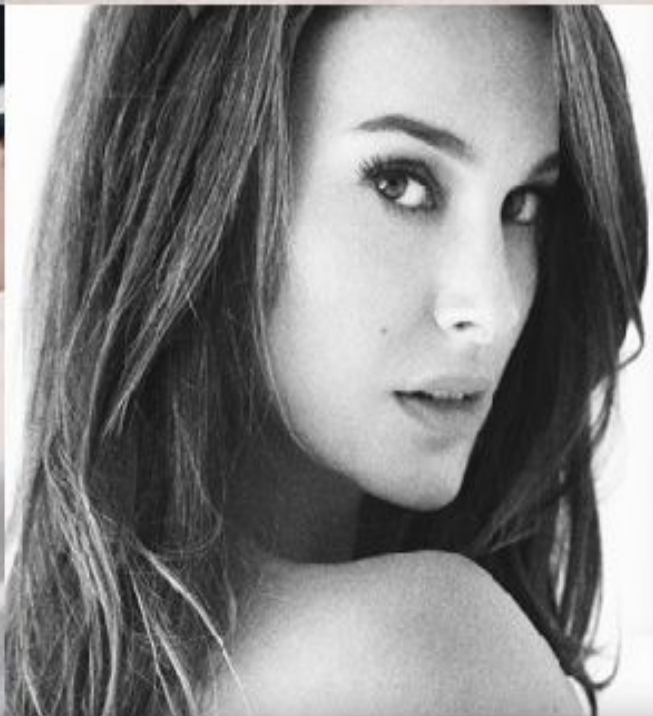

The renowned and irresistible actress perfectly embodies the charm and spirit of Miss Dior perfume.

She has that intense look, that feline allure. This actress of luminous intensity, dazzling as a prima ballerina in her latest film "Black Swan", has now become a muse, the new Miss Dior. Her audacious femininity would certainly have bewitched Christian Dior, who first imagined a Miss Dior back in 1947.

Irresistibly, she is a muse of fresh and piquant beauty — a beautiful lover in legendary Paris.
