Beetle Juice: This is all I can do.

Wife: What? We are begging for help!

Husband: Please, do something!

Beetle Juice: Well, Let's see... I have got a pal, crazy like me! TIMMY!

Fan: Mr. Burton! Can I take a photo?

We dance on Fridays but today is
Wednesday. We are having a problem!

Burton: Problem? What is your problem?

Wife: We have awful neighbors.

Husband: A strange old lady lives next to
us.

Burton: Strange old lady? Strange things
... it's my work. My heroes are going to
help us.

Granny: My little boys it's time to have lunch.

Grandchildren 1: We are coming granny.

Mad Hatter: Would you like a new hat? Try that one. This is our new model! We offer special discounts for retired people. Oh? that's not for you.

Granny: Go away! Our pension comes next month. I am broke.

Beetle Juice: Why did you call him? He is always spoiling everything.

Burton: Ok, I have another variant.

Raider: Would you like to buy a horse?

Granny: I have got my own ones.

Raider: Not bad.

Burton: Keep calm. One variant is left.

Corpse groom: Be my wife!

Corpse bride: Here you are! Let's go home!

Corpse groom: Oops! What a mistake.

Corpse bride: Mistake... We shall talk home!

Voice: The world is full of wonders!
Children and horses, grannies and
butterflies! I believe love makes
harmony. Sometimes we can be evil.
But even in dark times light people
are more notable.
