The most unusual houses

- With each passing day more and more surprised, what is there not in our world. How many creative people, how many interesting things they create. Many come up and open up new avenues in various fields. Take, for example architecture, architects turn violent fantasy. Today I present to you my collection of the most incredible buildings that you surely surprise you.

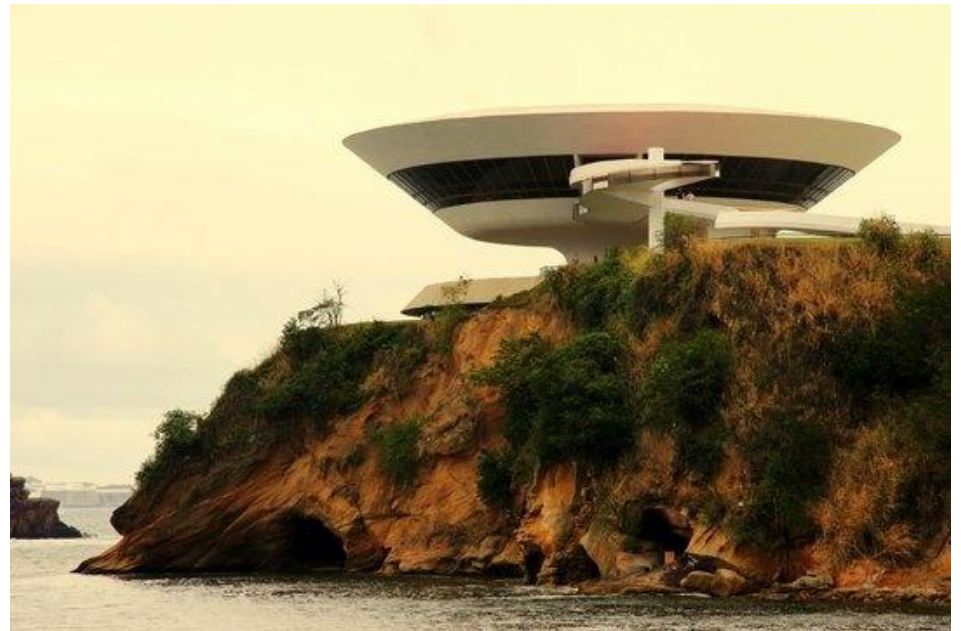

(Device to Root out Evil). Vancouver, Canada. Of course, it is not building rather monument, but since a home, suitable for kits

(The Crooked House). Sopotarinaricio, Poland

Museum of Modern Art. Niteroi, Brazil

Lotus Temple. New Deli, India

. Skyscraper in Malmö, Sweden

*That's all
I think you like
it
thank you*
