We love Zoo !

- Hello! We likes our town and we have many beautiful place . We want to tell you about Zoo. Zoo is beautiful place for the rest . In zoo we can see different animals.

- There are many different and interesting snakes, birds and animals there. We was at our Zoo last year . We saw white wolf. There are very beautiful animals. We saw a bear, a fox, a giraffe, lions, tigers, peacocks, chipmunks and different monkeys.

Also there are terrarium.  
In it lives chameleons ,  
snakes, lizards, bats,  
crocodiles and spiders.  
Spiders is beautiful animals .  
They can weave cobwebs.

Also in our zoo is animals from Australia and Africa !Camels, kangaroo, ostrich, parrot and lama. Parrot is small but beautiful birds . Parrots is different colors. Rarest parrot is Macaw parrot .

# Birds

- In the Zoo is different and interesting birds .  
Pelicans, ducks , owls , flamingos and balkans .  
Balkans recently brought on the Zoo. .

# Fish World

In Zoo is fish . They live in aquarium . In aquarium is many different fish . Example clown fish , pike . Pike live in the time of dinosaurs.

# Place in Zoo

- Also there us a cafe, swings and a beautiful park. You can take some photos, buy an ice cream, tasty food and you can feed some animals . We want to go to the Zoo this summer !

*The End*
