

This year is the cross change year of culture between Britain and Russia.

Cross-Culture Year of Great Britain and Russia in 2014 is designed as fully as possible to present the rich cultural heritage of the two countries. One of the main tasks - to promote cultural exchange, thereby strengthening the relationship between people, organizations and governments.

The Exhibition of Julia Margaret Cameron

- Julia Margaret Cameron (1815-1879) was one of the most outstanding and innovative photographers of the 19th century. The exhibition in Moscow Multimedia Art Museum, completely made up of a rich collection of works by Cameron stored in the Victoria and Albert Museum, will mark just two dates - its 200th anniversary and the 150th anniversary of the opening of the first exhibition of works photographer in the South Kensington Museum in 1865.
- In addition to the expressive male and female portrait photos of Cameron created a "living pictures" and asked for a model pose - which are mainly friends, family members and servants - in imitation of the allegorical works of art. Her photographs are the epitome of not only beauty, but also a violation of the rules, some of them deliberately poorly focused, and many visible scratches, stains and other traces of the creative process.

EXHIBITION "Francis Bacon and legacy of the past"

- The exhibition presents thirteen paintings of Francis Bacon from the collection of the Centre of Fine Arts Sainsbury. They come from the collection of Robert and Lisa Sainsbury, his first and most generous patrons that have had a significant artistic and financial support in the difficult years for him. The paintings were written mainly in the 1950s, early 1960s, and are the foundation around which the rest going in the artist's works. On display are also paintings from the Tate Gallery, London; Art Gallery and Museum in Aberdeen; Yale Center for British Art in New Haven, USA; Hugh Lane Gallery in Dublin, as well as from private collections. So, from the collection of Lord Duns exhibited "Portrait of Pope Innocent X" Velasquez, one of the variants of pictures in the gallery Doria Pamphili. The image of the Pope created by the great Spanish painter, was a source of inspiration for many paintings by Bacon.
- The main objective of the exhibition - to make people think about art and creativity. Nothing facilitates thinking process so as comparison. This exhibition gives this necessary ground.

EXHIBITION "" English breakfast ""IN RUSSIA. END XVIII - XIX Century ""

- Interest in the phenomenon of the English taste and comfort was enormous. "Anglomania" is reflected in almost all spheres of life.
- The exhibition of the Historical Museum will show the traditional English breakfast service. The exhibition features custom sets for imperial palaces and the upper class, in particular, plates with printed decor, dishes with "Toby", products from the so-called basalt (black) mass and "Etruscan style" factory Wedgwood end of XVIII century, and the factory Porcelain Petersburg 1790s - 1830s.
