

The image features four traditional folk dolls (kukly) and a silver samovar. The dolls are dressed in colorful, patterned traditional clothing, including headscarves and aprons. One doll on the left is smaller and has its arms crossed. The samovar is a large, ornate silver vessel with a tiered body and a handle. The background is a plain white wall, and a window is visible on the left side. The text is overlaid in the center in a bold, yellow, serif font.
