Trafalgar Square

- In the center of the square with 1843 is a dark-grey granite Nelson's column 44 m high with a statue of the Admiral at the top. The column is decorated with frescoes, cast figures of lions and fountains.

- Trafalgar square is set main new year tree of the country, brought from Norway.

- Around the square are the national gallery, the Church of St. Martin in the fields, Admiralty Arch and several embassies.

- The area has always been a popular public place, it happened as solemn and sad events. For example, the area saw dispersals of rallies, bloody riots, demonstrations of protest

□ As at Trafalgar square is carried out of the race on the machines for this plays a special route which starts from Trafalgar square and ends to Pavlovsky's cathedral
