If you want to save time - you will choose the plane. If you want to save money - you will travel by bus or car. But we really like traveling by train. We prefer this way to travel, because it allows to enjoy beautiful landscapes, to see new cities and a lot of new interesting places. We have prepared some words and phrases, which you will need in your journey.

Could you tell me, what time does the train leaves?

Excuse me. Do you know, does this train go to...?

Could you help me? Do you know, where platform 8 is?

I'd like to book a single ticket to London, please.
