Swallow's Nest

Swallow's Nest

It was built between 1911 and 1912, on top of the 40-metre high.

Swallow's Nest

The building is compact in size , measuring only 20m long by 10m wide.

Swallow's Nest

Its original design envisioned a foyer , guest room , stairway to the tower and two bedrooms.

Swallow's Nest

An observation deck rings the building , providing a view of the sea and Yalta`s distant shoreline.
