

COLOURS

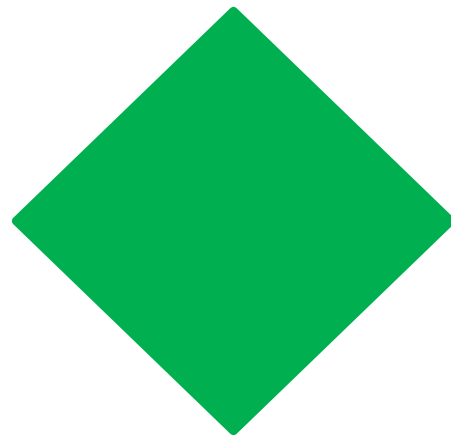

The background is a complex, multi-layered composition. It features a central rainbow gradient that transitions from blue on the left to red on the right. Overlaid on this are numerous overlapping, semi-transparent circular and curved shapes in various colors, creating a sense of depth and movement. In the foreground, there are intricate, fractal-like patterns that resemble the Mandelbrot set, rendered in shades of purple, blue, and green. The overall effect is a rich, textured, and colorful abstract design.

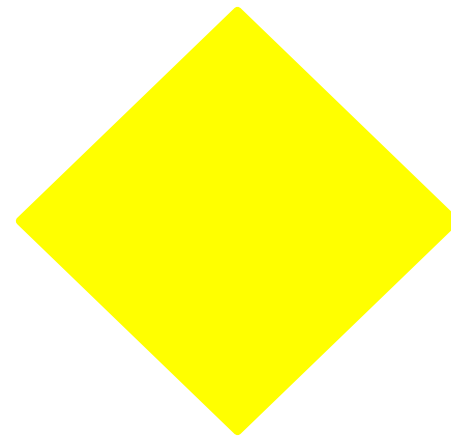

red
