Number and letter games

These games are mainly designed for beginners and elementary learners. They refer to whole class activities and do not require any special organization of classroom.

Bingo

10	34	56
23	90	21
65	67	41
3	12	89

«Bingo»

«Full House»

10	67	65
89	90	21
56	34	41
3	12	23

Name the word

- You need 20 cards with pictures of different objects. The cards are divided into 2 teams. The players sit at a table where the cards are laid out. When a card is shown, take 1 card and name the object. This is a point for each correct answer.

Let's
play this
game!

Secret messages

- Aa Bb Cc Dd Ee Ff Gg Hh Ii Jj Kk Ll Mm Nn

1 2 3 4 5 6 7 8 9 10 11 12 13 14

- Oo Pp Qq Rr Ss Tt Uu Vv Ww Xx Yy Zz

15 16 17 18 19 20 21 22 23 24 25 26

The secret word is: 16 18 1 3 20 9 19 5.

Count again

- You give your class one digit. The class counts from that number in chorus. After a few numbers you clap your hands and the class stops. You call a new number and the class starts counting from that point.
