Wallace and Gromit are reading.

I'm hungry.

Cups, a kettle, plates...

Tea and cookies...

But.. Where is the cheese??

Gromit! There's no cheese!!.

Let's find some cheese! But where?

Oh, yes! The cheese is on the Moon!
Let's fly to the Moon!!

Let's built
a space
ship!!

There are many robots on the Moon.
They are nice!
And the cheese is delicious! Yummy!

Thank you for watching! Good-bye!!
