Books

Books play a very important part in our life. We learn many things from them. They help us in self-education. In deciding problems of life. Some books are interesting and easy to read. They are full of information about things which happen in real life. Such books are useful and give you knowledge in many fields of man`s activity. Books make me think. Some authors have a fine imagination, they hold our interest write to the end of the book by creating very believable characters. And you can spend ours which such books.

William Shakespeare

William Shakespeare was an English poet and playwright, widely regarded as the greatest writer in the English language and the world's pre-eminent dramatist. He is often called England's national poet and the "Bard of Avon". Around 1595 Shakespeare created one of the most famous of his tragedies - "Romeo and Juliet" - the story of human development in the struggle with external circumstances for the right to love.

“Romeo and Juliet”

Romeo and Juliet is a tragedy written early in the career of William Shakespeare about two young star-crossed lovers whose deaths ultimately reconcile their feuding families. It was among Shakespeare's most popular plays during his lifetime. Today, the title characters are regarded as archetypal young lovers. I enjoy it very much
