
The background of the slide is a vibrant space scene. In the upper left, a large, detailed view of the Moon shows its craters and dark maria. In the center, a reddish planet with white polar ice caps is visible. In the lower right, the Earth's horizon curves across the frame, showing green continents and blue oceans. The sky is a deep blue, filled with numerous small white stars and a few larger, brighter ones with diffraction spikes.

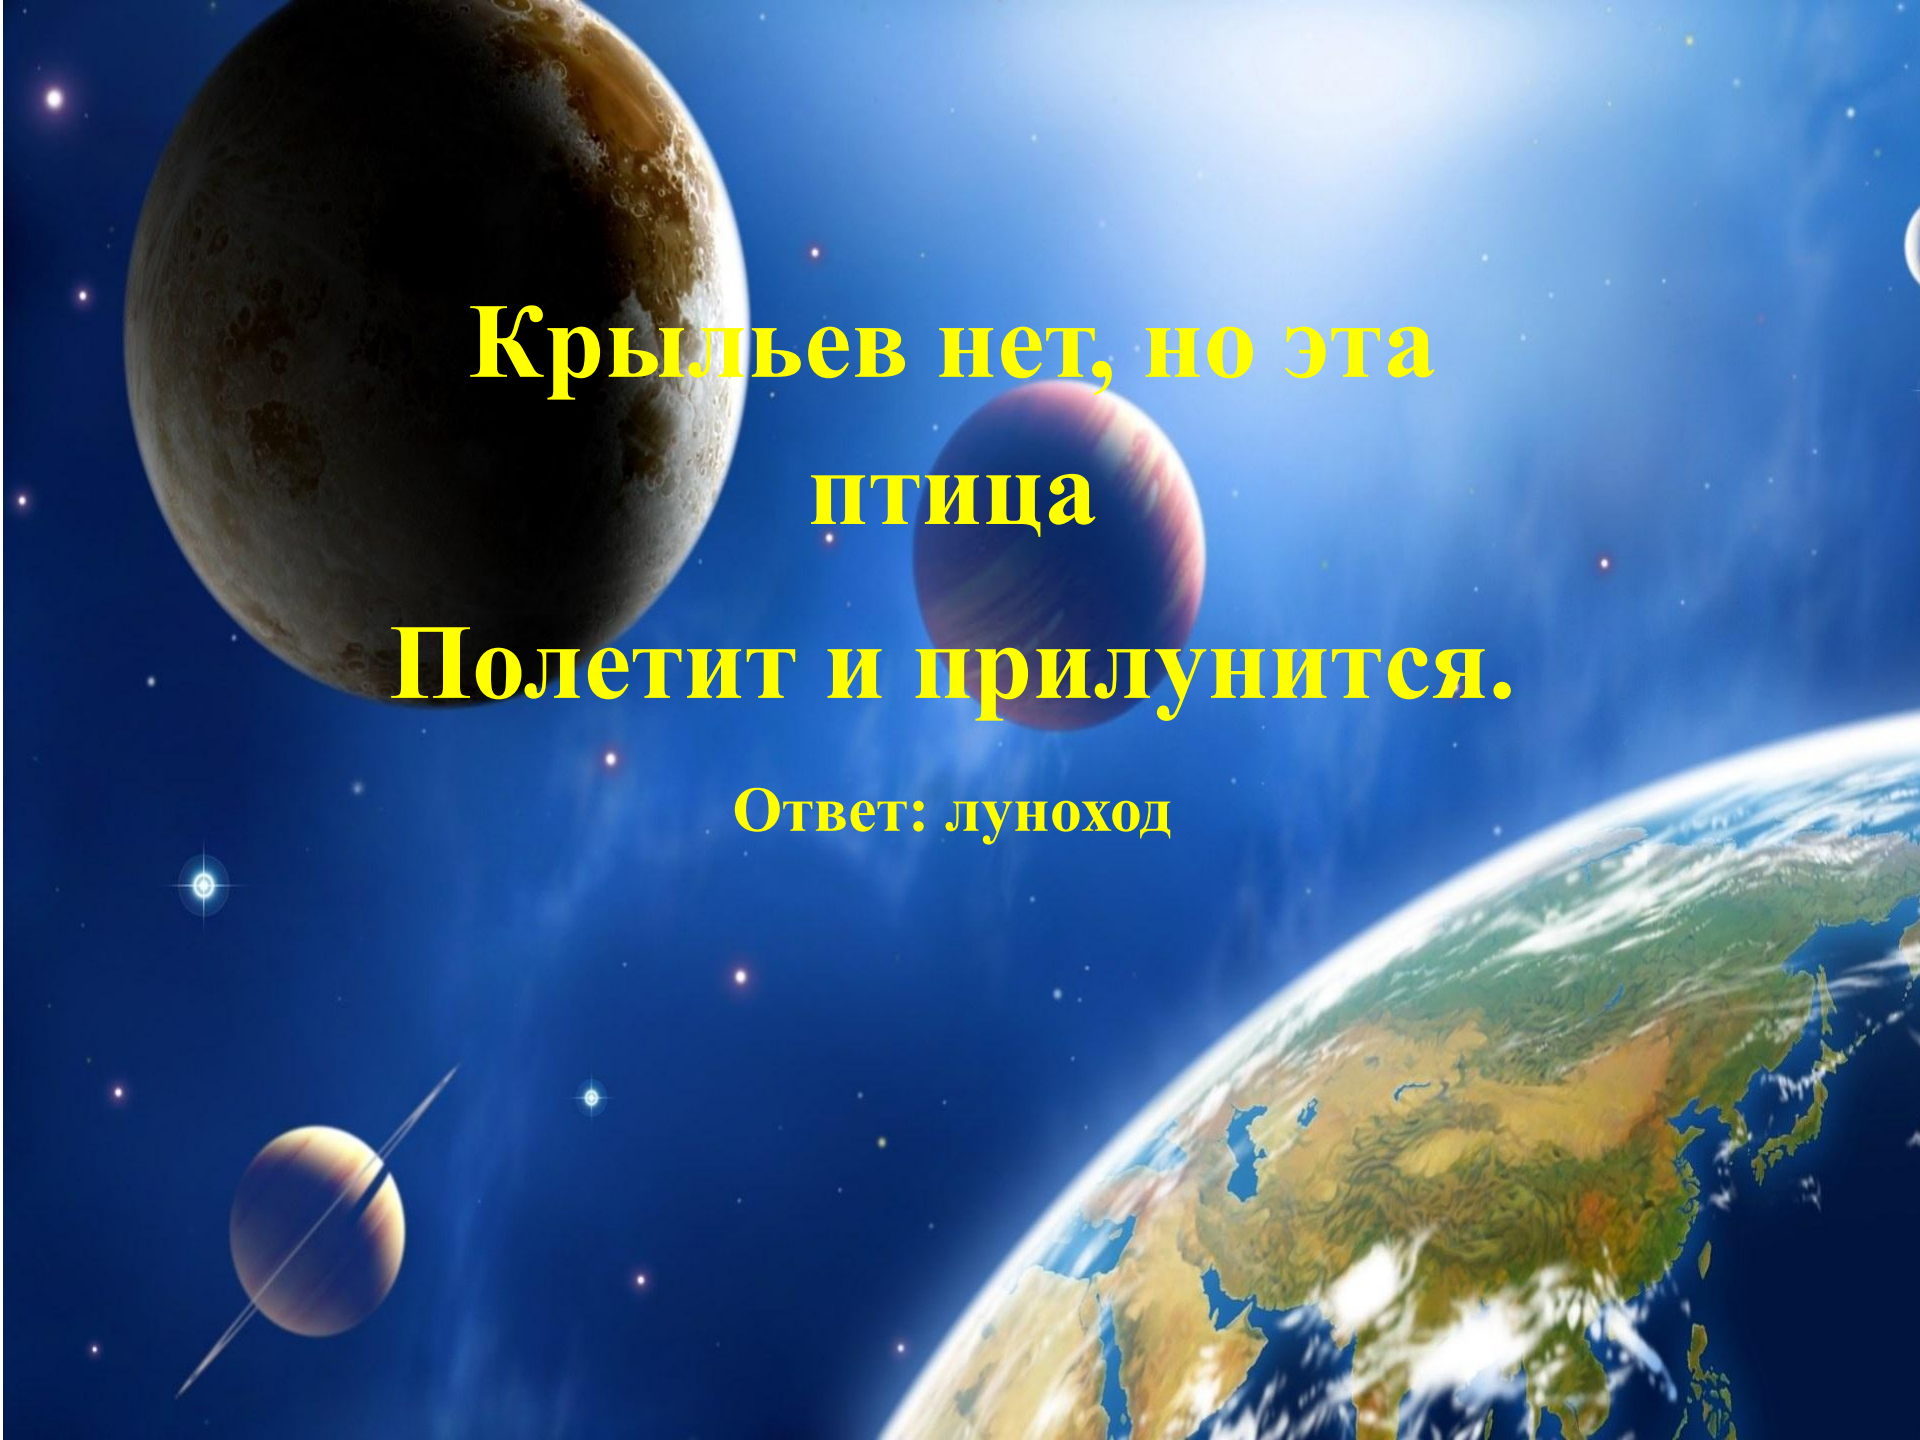

# Загадки о космосе

A composite image of space featuring the Earth, the Moon, Jupiter, Saturn, and various stars. The Earth is in the bottom right, showing continents and clouds. The Moon is in the top left. Jupiter is in the center, and Saturn is in the bottom left. The background is a deep blue space filled with stars.

**Человек сидит в ракете.  
Смело в небо он летит,  
И на нас в своем скафандре  
Он из космоса глядит.**

**Ответ: космонавт**

A composite image of space featuring the Earth, the Moon, and several planets against a starry background. The Earth is in the bottom right, showing continents and oceans. The Moon is in the top left. A red and white striped planet is in the center, and a ringed planet is in the bottom left. The text is overlaid in yellow.

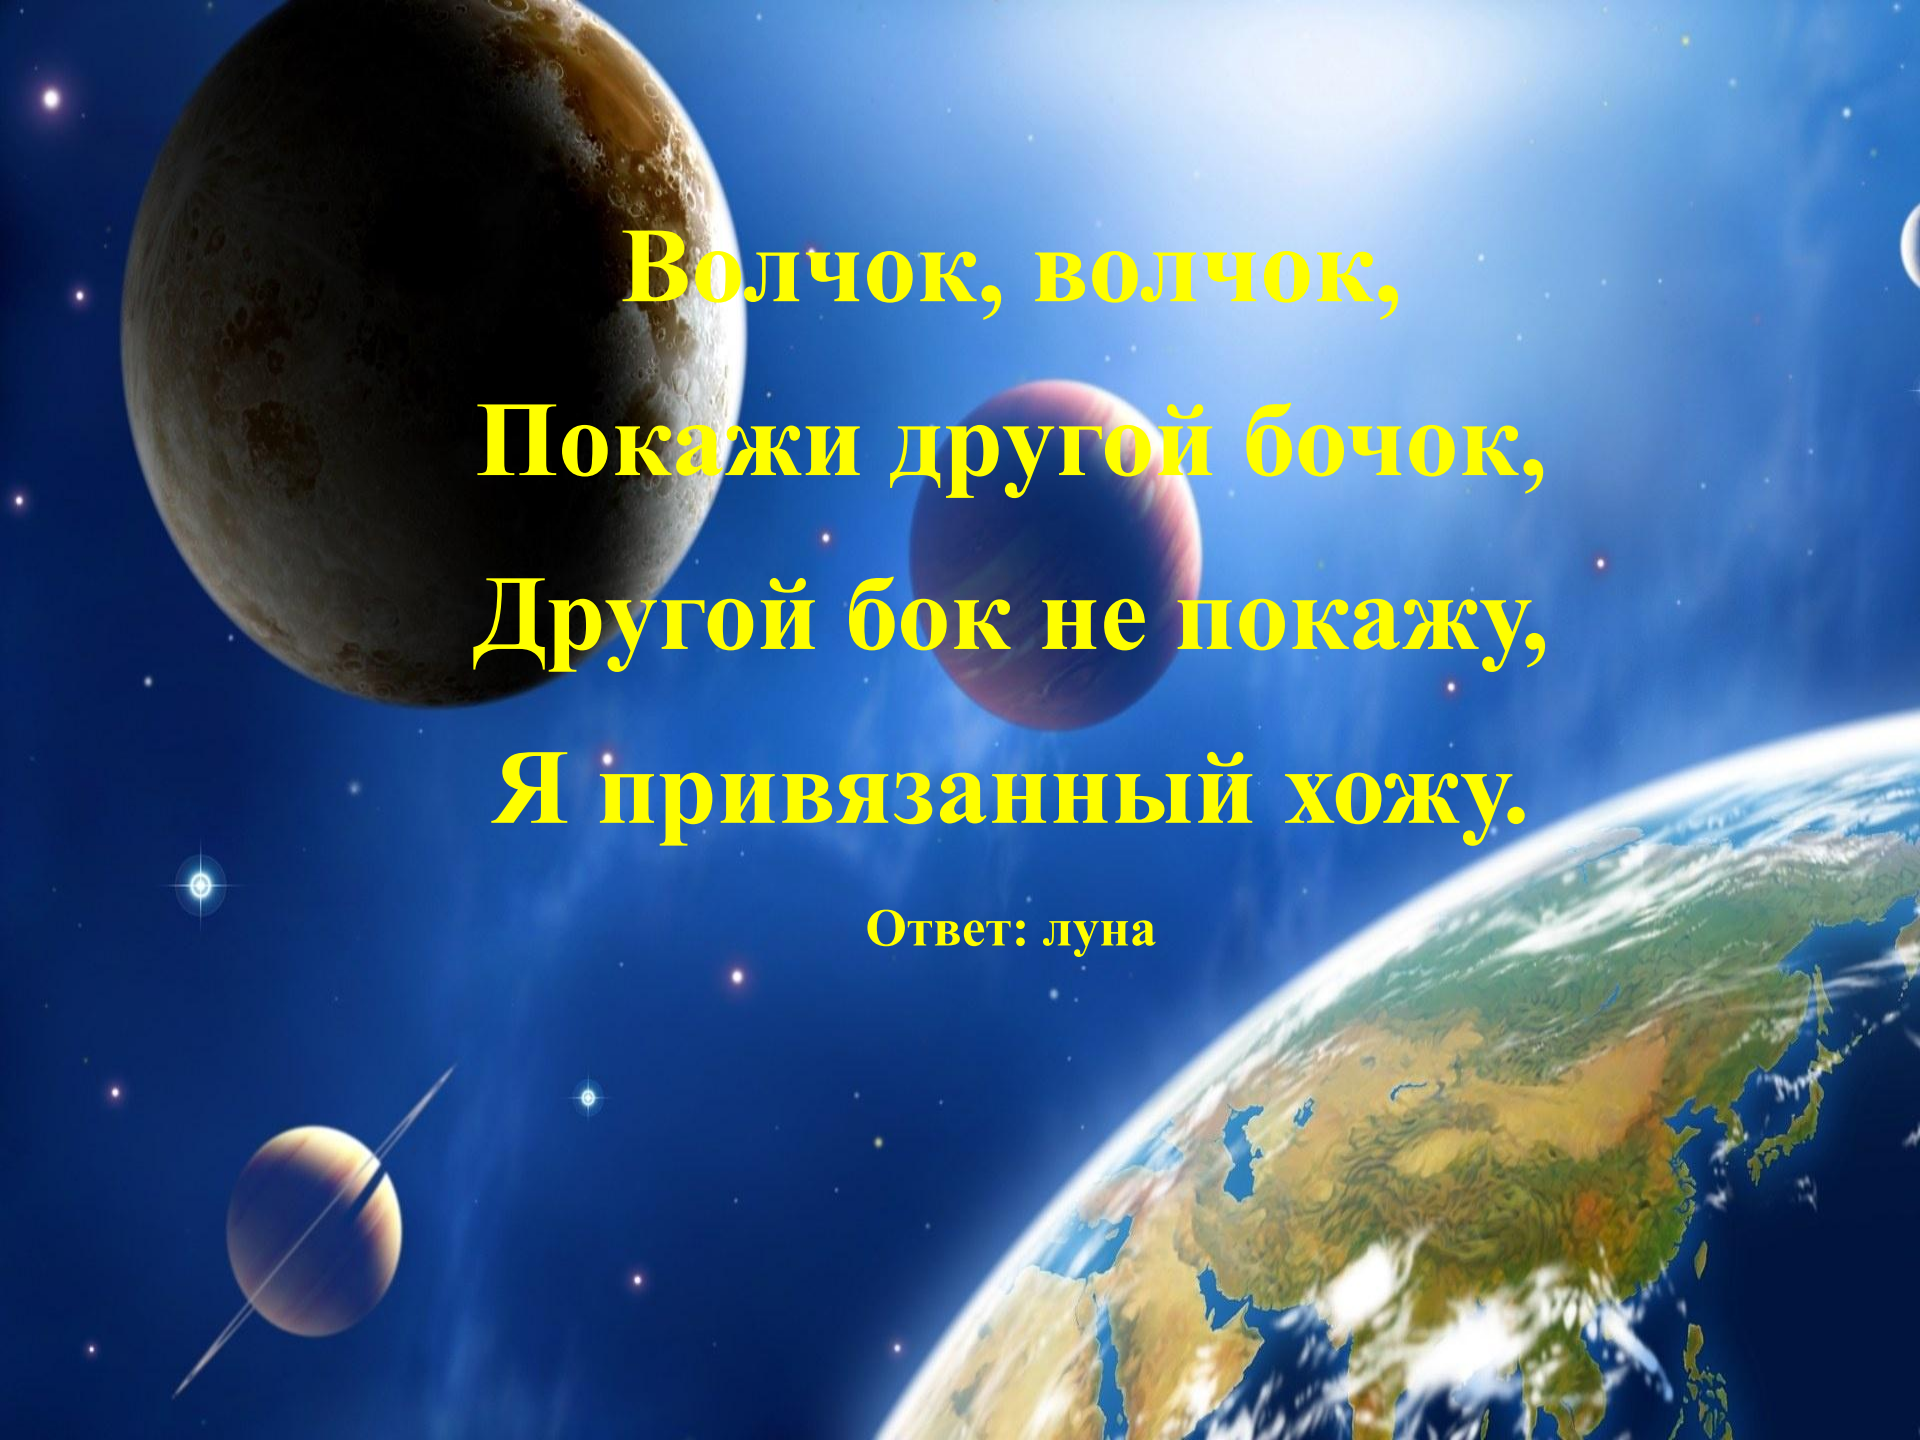

**Крыльев нет, но эта  
птица  
Полетит и прилунится.**

**Ответ: луноход**

**Ночью на небе один  
Золотистый апельсин.  
Миновали две недели,  
Апельсина мы не съели,  
Но осталась в небе только  
Апельсиновая долька.**

**Ответ: луна, месяц**

A composite image of space featuring the Earth, the Moon, and other celestial bodies against a starry background. The Earth is in the bottom right, showing continents and oceans. The Moon is in the top left, showing its craters. A red planet is in the center, and a ringed planet is in the bottom left. The background is a deep blue space filled with stars.

**Волчок, волчок,  
Покажи другой бочок,  
Другой бок не покажу,  
Я привязанный хожу.**

**Ответ: луна**

A composite image of space featuring the Earth, the Moon, and other celestial bodies against a starry background. The Earth is in the bottom right, showing continents and oceans. The Moon is in the top left, showing its craters. A reddish planet is in the center, and a ringed planet is in the bottom left. The background is a deep blue with many stars.

**На каком пути ни один  
человек не бывал?**

**Ответ: млечный путь**
